Live at the Sherman Library! Miami Momentum Dance Company: The Ugly Duckling

The Ugly Duckling was first published in 1843 by Danish author Hans Christian Andersen and adapted into many different art forms including an animated short film by Walt Disney, a classical music piece by Sergei Prokofiev, and as a pop song by Danny Kaye. In this original dance piece by Miami Momentum Dance Company, children will see the classic tale come to life through the art of modern dance. After the performance, children will be led in a short movement activity and they will have the opportunity to meet the dancers and ask questions. This program is made possible by a gift from the Charles P. Ferro Foundation. Second Floor, Cotilla Gallery.

Live at the Sherman Library! Alison Faith Levy: World of Wonder

San Francisco-based recording artist/songwriter Alison Faith Levy is best known as "Sippy Alison" of the children's music band The Sippy Cups. She performed with the band in such famous venues as Austin City Limits, Central Park Summer Stage and Symphony Space in New York City. Alison also performs solo, and her latest album received rave reviews in Parent's Magazine and the San Francisco Chronicle.

Alison Faith Levy's interactive children's concerts bring literature to life through song. Her repertoire of original music includes modern twists on classic nursery rhymes and ballads based on fairytales such as Cinderella. In addition to hearing children's literature come to life in musical form, children will learn about the art of songwriting as a form of storytelling.

This program is made possible by a gift from the Charles P. Ferro Foundation. First Floor, Room 1017.
